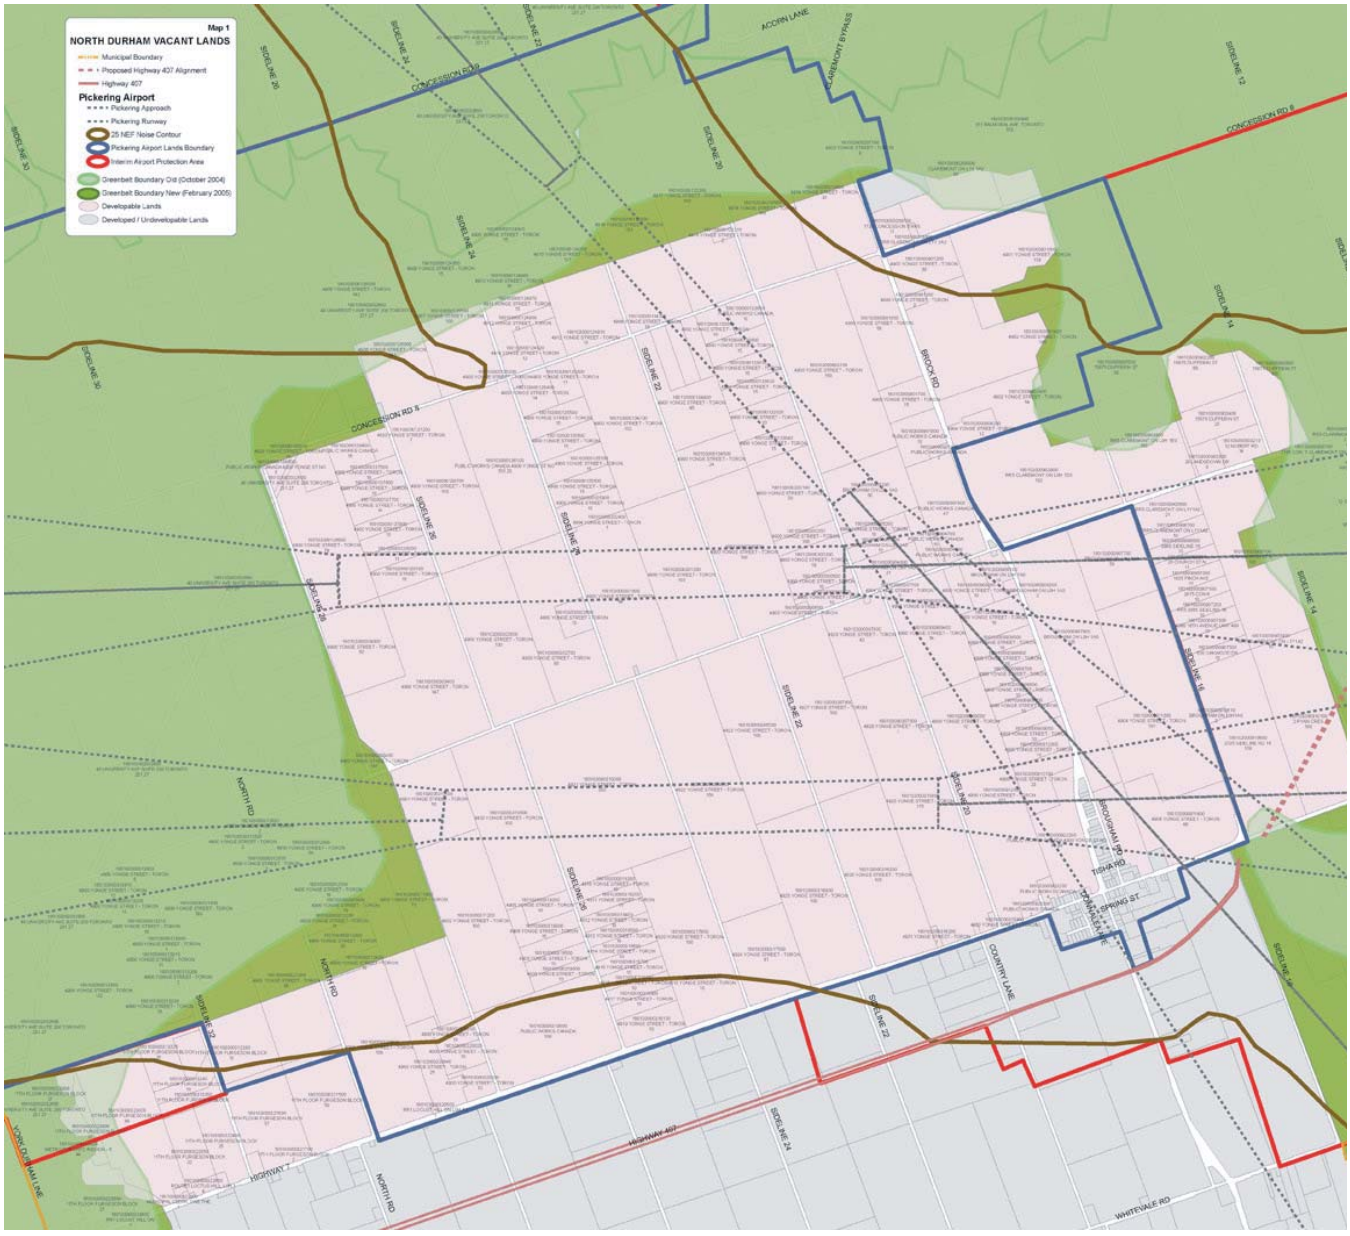
MALONE GIVEN PARSONS LTD.



NORTH DURHAM VACANT LAND STUDY

Client: Fieldgate Homes

Malone Given Parsons Ltd. acquired and processed land assessment information for over 8,000 hectares of agricultural and rural and designated greenfield lands in north Durham Region. The properties of interest were selected using GIS based mapping which excluded areas within the Greenbelt Plan area, Pickering Airport Lands, Ministry of Natural Resources environmental constraint areas and existing employment or urban lands. This information is currently being used for long-term land acquisition by Fieldgate.
